履修前提条件						備考			
授業の目的	The purpose of this class is for students to practice basic English communication with people in a foreign country. Students of this class use Skype to connect and communicate with fluent English students of Mindanao International University in the Philippines. This class helps students broaden their view of the world through cross-cultural communication in English. The teacher will use some of the class time to reflect on students' Skype conversations, and help them become more effective and confident speakers of English.								
到達目標	The teacher will give students time to enjoy basic English conversations in class. This class makes it possible for students to improve their English speaking and listening, naturally. The goal for this class is for students to feel relaxed when having natural English conversations with fluent English speakers. In this class students can freely share their opinions, hopes and dreams in English with their Skype friends in the Philippines. Working with the teacher, students can reflect on and strengthen their English abilities.								
授業外学修内容・授業外学修時間数	Students of this class are expected to prepare well for each Skype conversation. Students are also expected to be active and ready to ask questions to their friends in the Philippines; therefore, students must spend more than 15 hours outside of class in preparation for this course. The teacher will assign homework related to the Skype
