履修前条件						備考			
授業の目的	EIC Business Presentations 2 gives students the opportunity to build on the presentation skills they developed in Semester 1, EIC Business Presentations 1. However, students who did not take EIC Business Presentations 1 are welcome to join EIC Business Presentations 2, as we will be reviewing the first semester. Students will have the chance to interact with authentic English resources to learn about business topics that are currently in the media. They will have chances to discuss these topics and research the topics further, with the aim of creating effective final presentations.								
到達目標	In this semester, we will first review the key points for planning and writing a presentation, in addition to re-visiting the performance strategies that help create successful presentations. For the core part of the second semester course, students will have the opportunity to work on a number of contemporary business issues in English. Each issue will be covered in a 3-class session, when students can engage in a range of English skill-building activities to study the issue. Students will then research an area of the issue that interests them and present their findings to their classmates.								
授業外学修内容・ 授業外学修時間数	Students will benefit from familiarising themselves with the materials for the next session before coming to class. Particularly, checking vocabulary and expressions would be beneficial (30 minutes). Similarly, reviewing class materials for points learned in class and making clear review notes would consolidate learning. (30 minutes). Students must spend more than 60hours outside of class.
