

講義コード	11C0128711	授業形態	演習	事前登録の有無	なし	担当教員		開講期	
科目名	ゼミナール I (クボ)					マイケル クボ		通年	
履修前条件				備考					
授業の目的	Students of this zemi will study and discuss current media topics in English. Students of this zemi will also plan and produce media projects for publication or broadcast on social media. Ambitious students may choose to present at the Economics Department Zemi Taikai.								
到達目標	This is the Digital Age. With our smartphones we can have the answers to most of our questions instantly. How do zemi members contribute to the information the Internet shares with everyone in the world? That is simple: we create our own information and share it with the world too. The challenge is to be creative so that we can make meaningful media.								
授業外学修内容・ 授業外学修時間数	Students must spend more than 120 hours outside of class in preparation for this course.								
授業計画	<p>【第1回～第4回】 Getting to know each other, setting goals, and determining roles. Some current event reports.</p> <p>【第2回～第6回】 Focus on domestic media topics, discussions, and readings.</p> <p>【第7回～第10回】 Focus on international media topics, discussions, and readings.</p> <p>【第11回～第14回】 Form student focus groups, focus on particular media topics. "Open Zemi" (visiting speaker 1)</p> <p>【第15回】 Mid-term group presentations</p> <p>【第16回～第19回】 Redefining goals and roles, brainstorming media projects, and presenting proposals</p> <p>【第20回～第23回】 Fieldwork, project work, present progress (in class)</p> <p>【第24回～第27回】 Edit media projects, upload or publish Open Zemi" (visiting speaker 2)</p> <p>【第28回～第29回】 Present media projects, reflect on experience, discussion</p> <p>【第30回】 Make preparations for セミナール II</p>
